

# Road to the Pallet Smart Factory

1<sup>st</sup>

Steam  
Machine

2<sup>nd</sup>

Mass  
Production

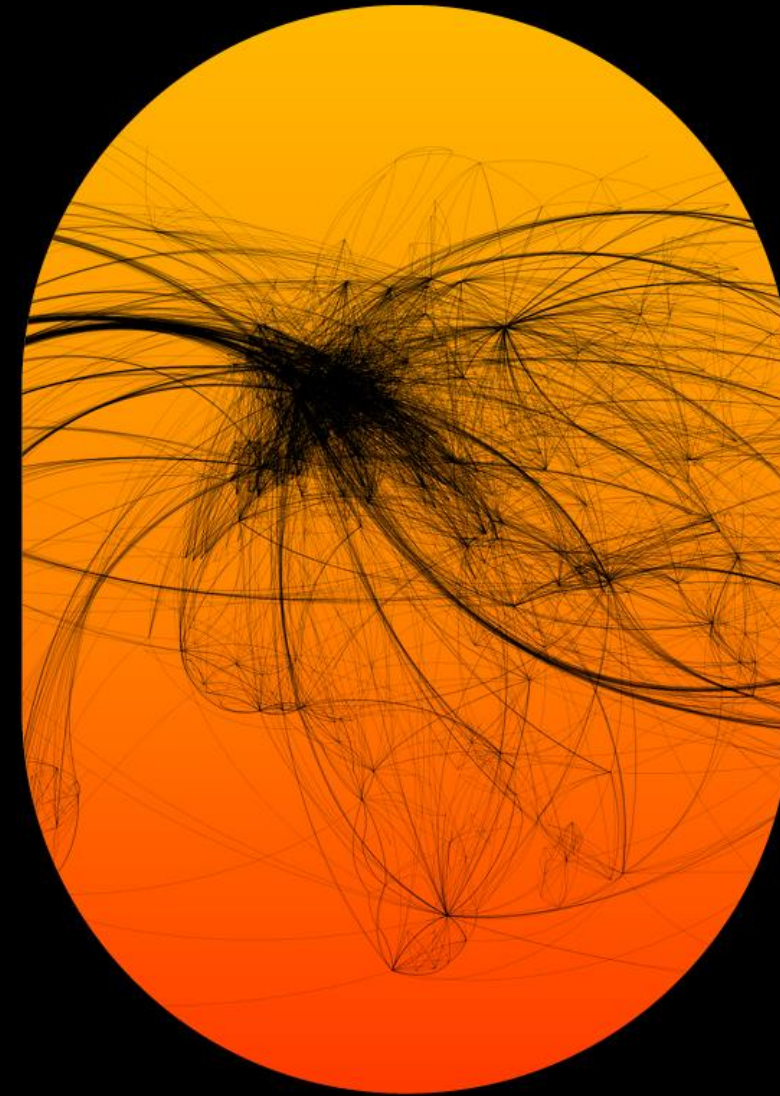

3<sup>th</sup>

New Manufacturing  
Technologies

# One step forward? a Must!

Internet of  
things

Hyper-connected  
World

Intelligent  
Vehicles

Smartphones

# Nowadays

# Mass Production VS Mass Customization

Flexibility

Agility

Efficiency

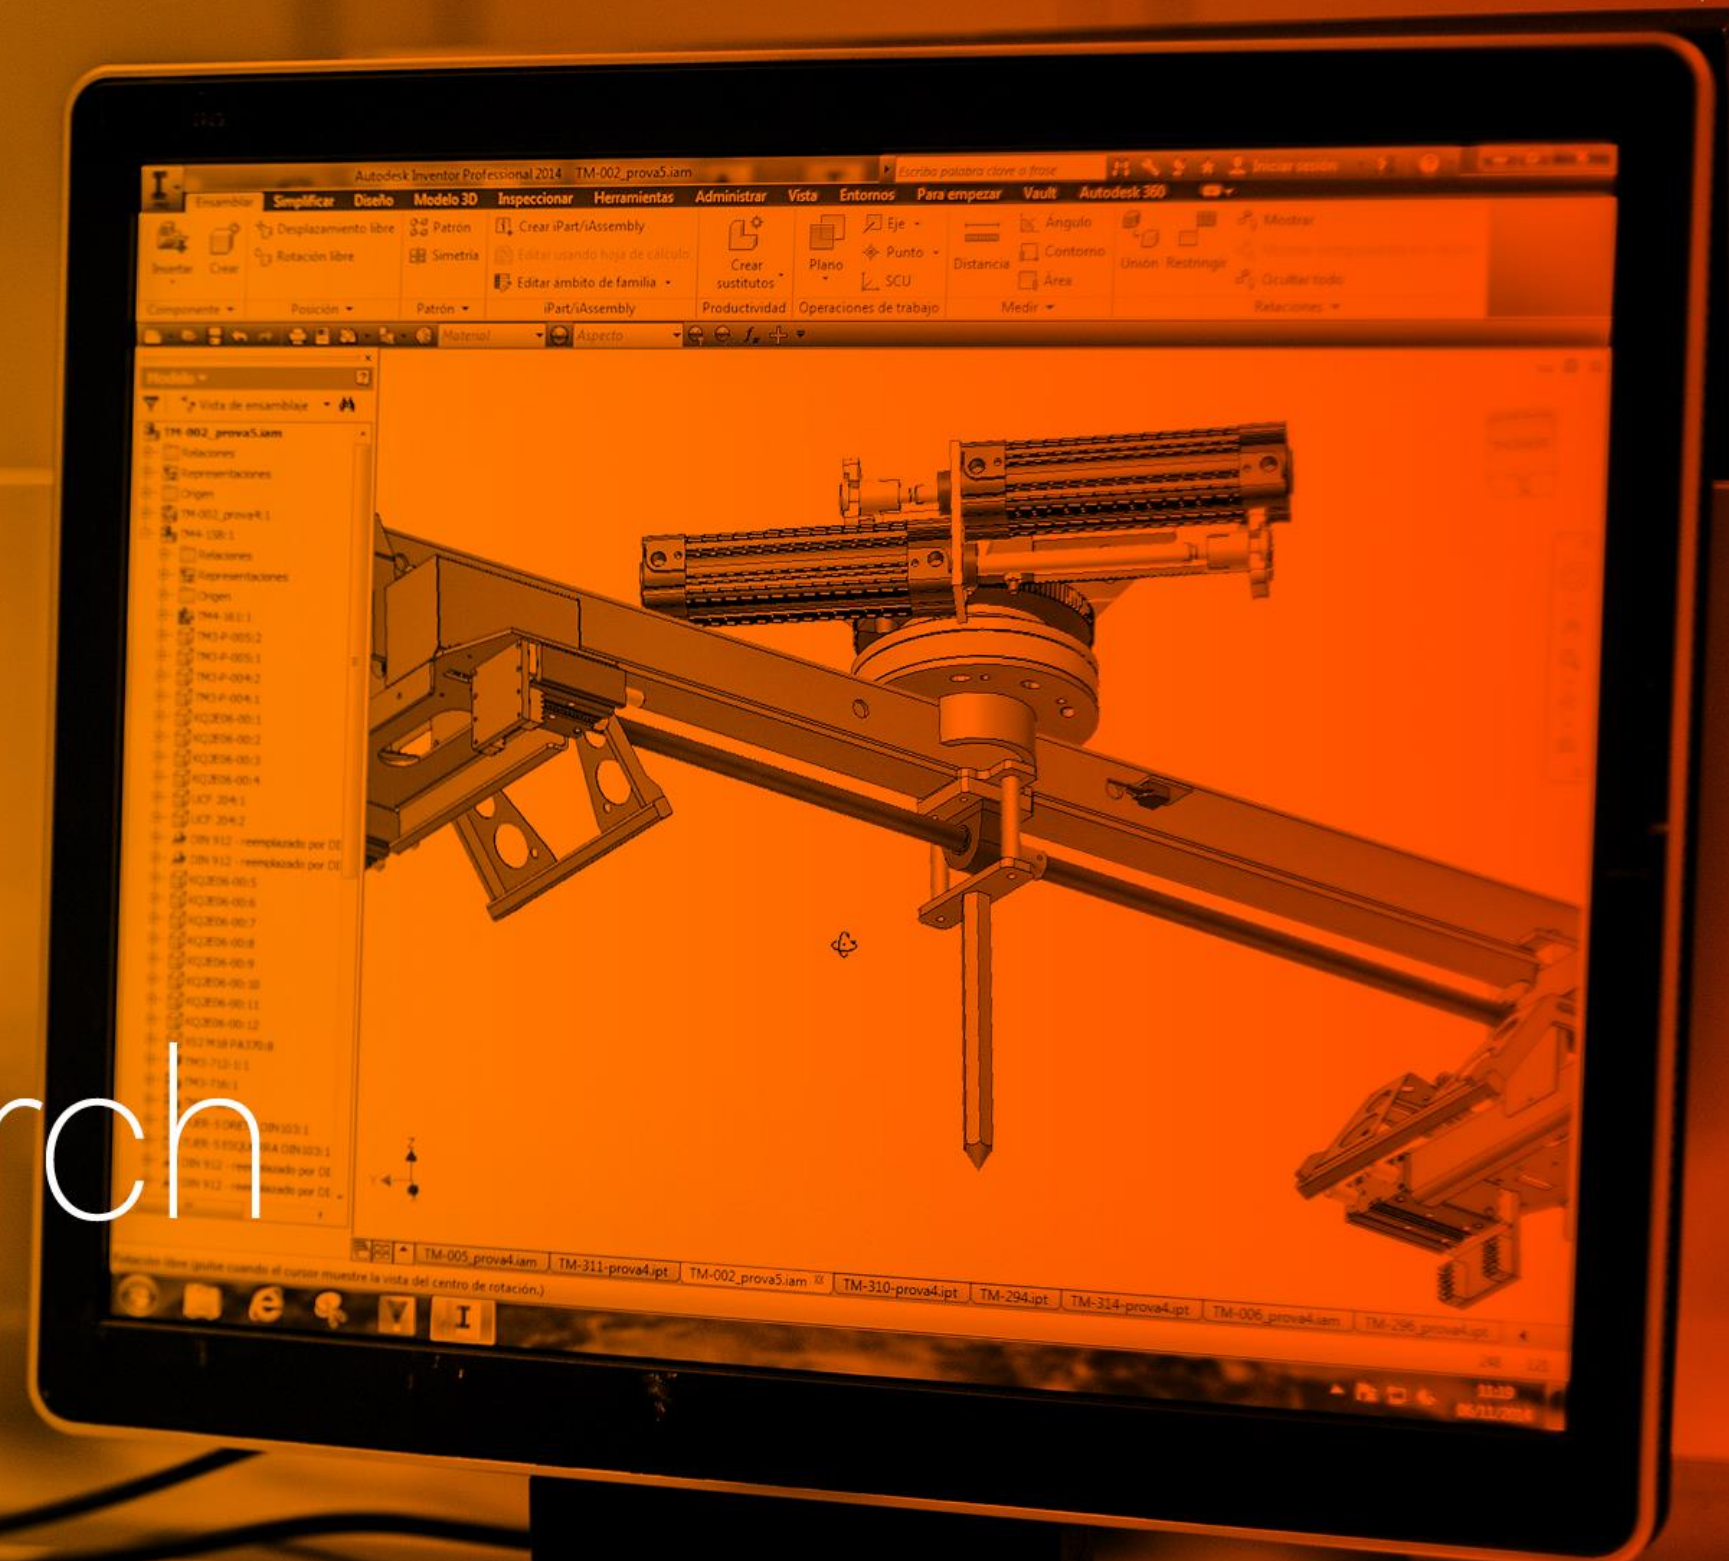

Change

Are you using  
the proper tools?

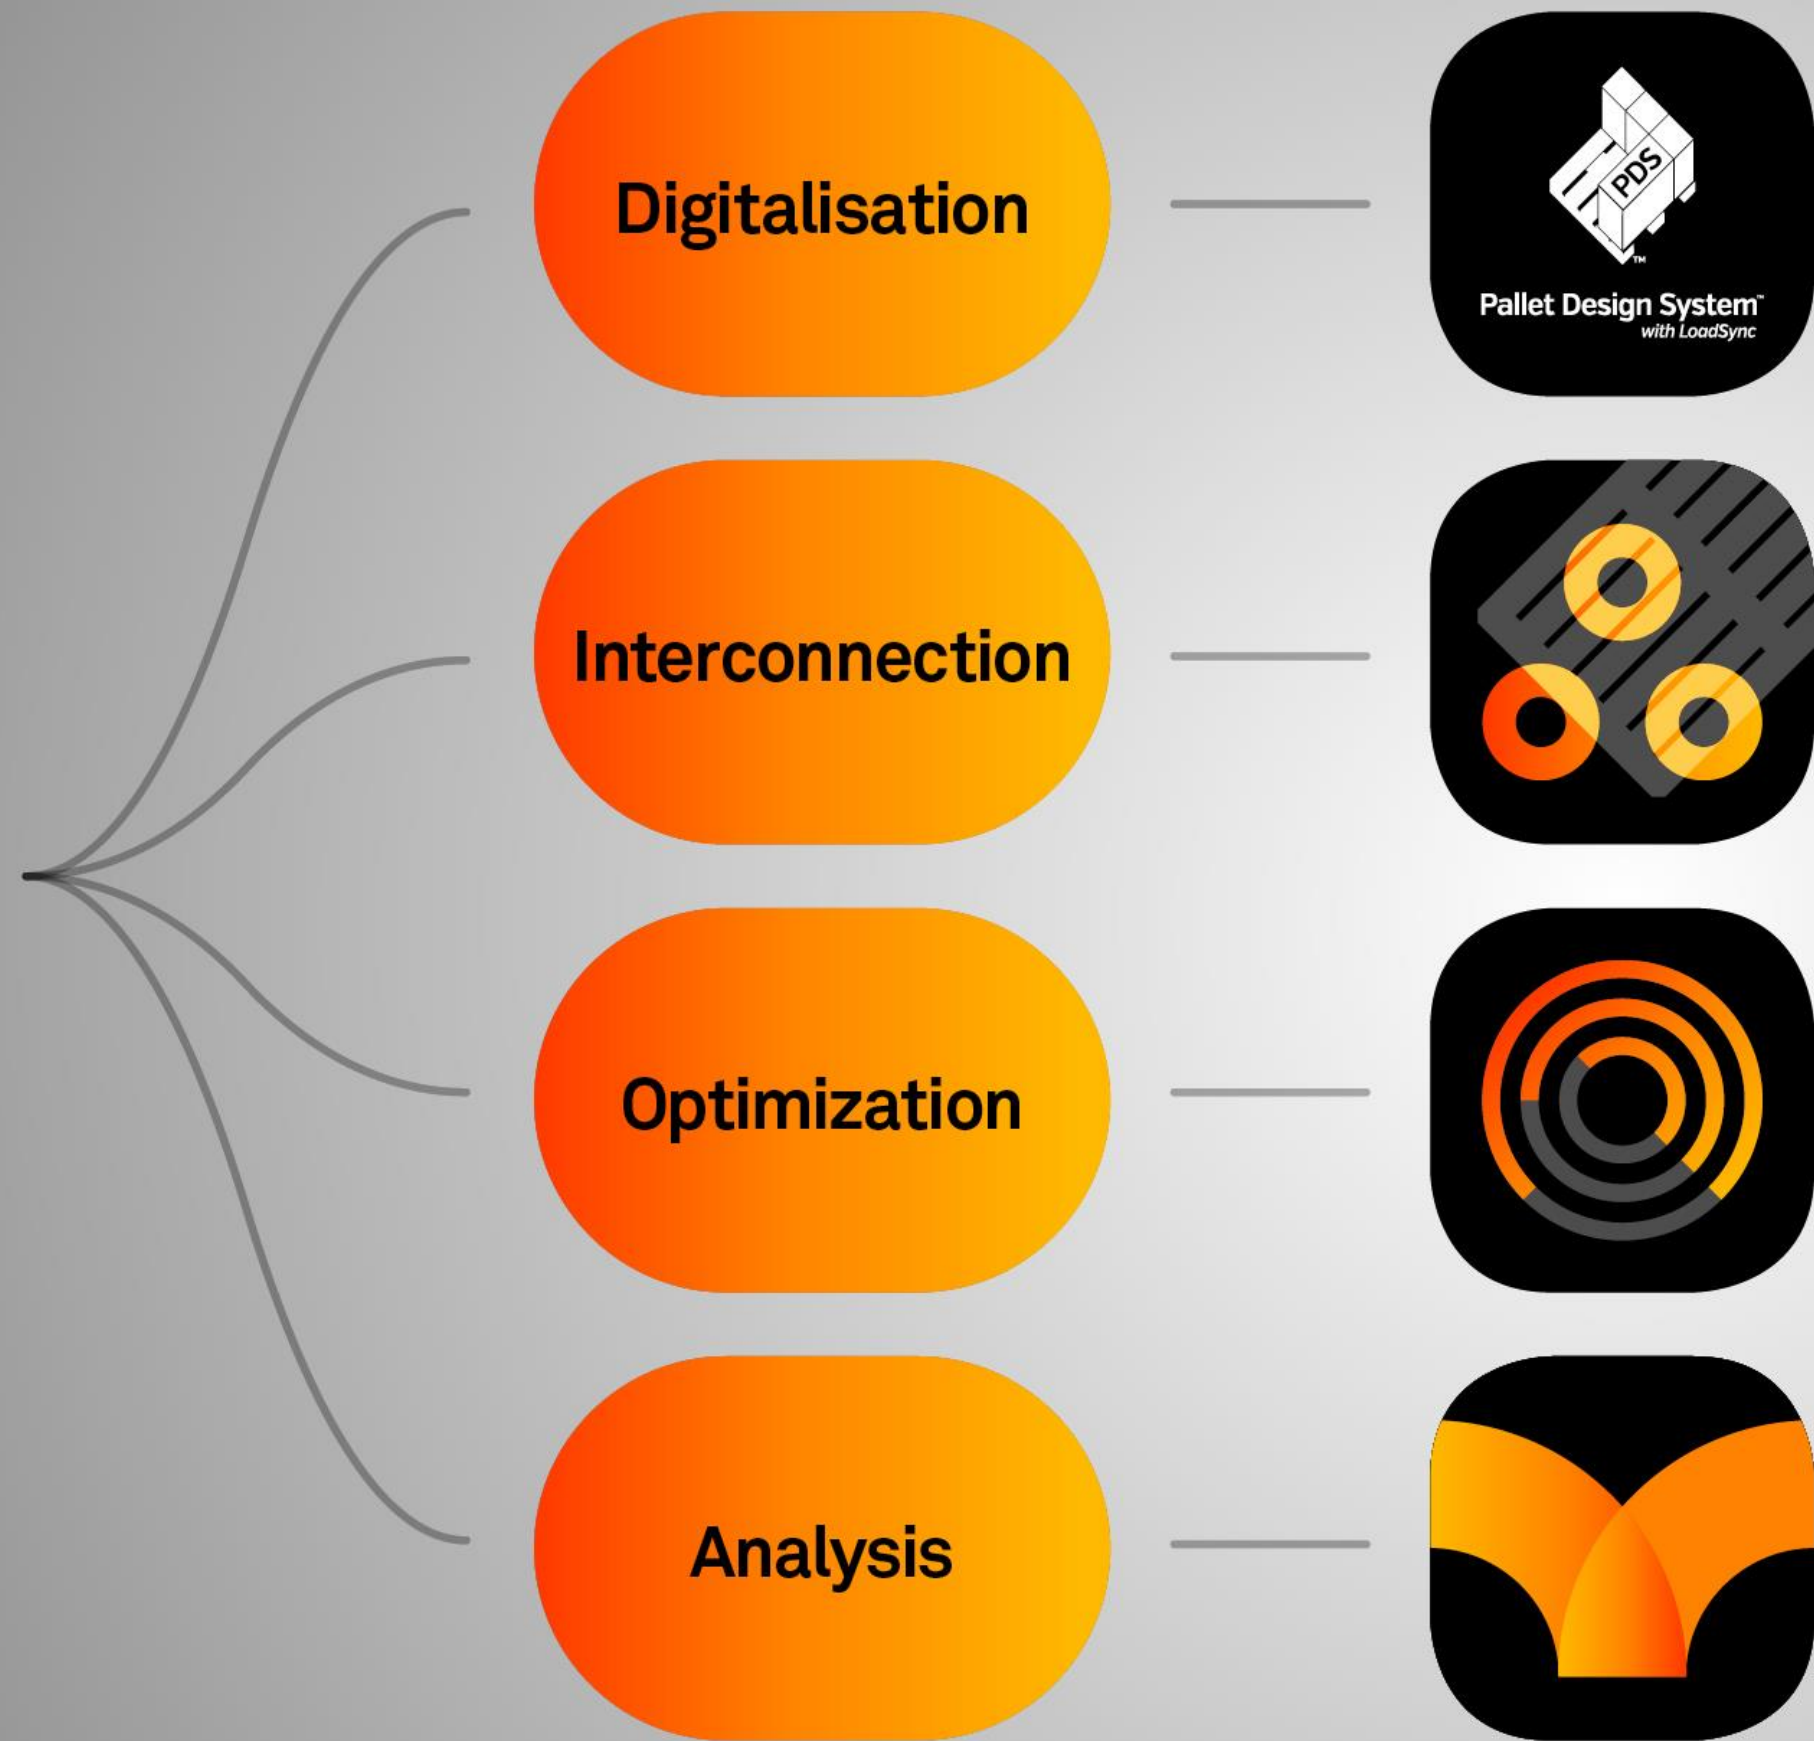

# Cape means engineering research

We introduce:  
My Cape

**Digitalisation**

**PDS™**  
Pallet Design System™  
with LoadSync

**Interconnection**

**Visiopal**  
Pallet Quality Scanning Technology  
by Cape

**Optimization**

**Datapal**  
Pallet Factory Resource Planning  
by Cape

**Analysis**

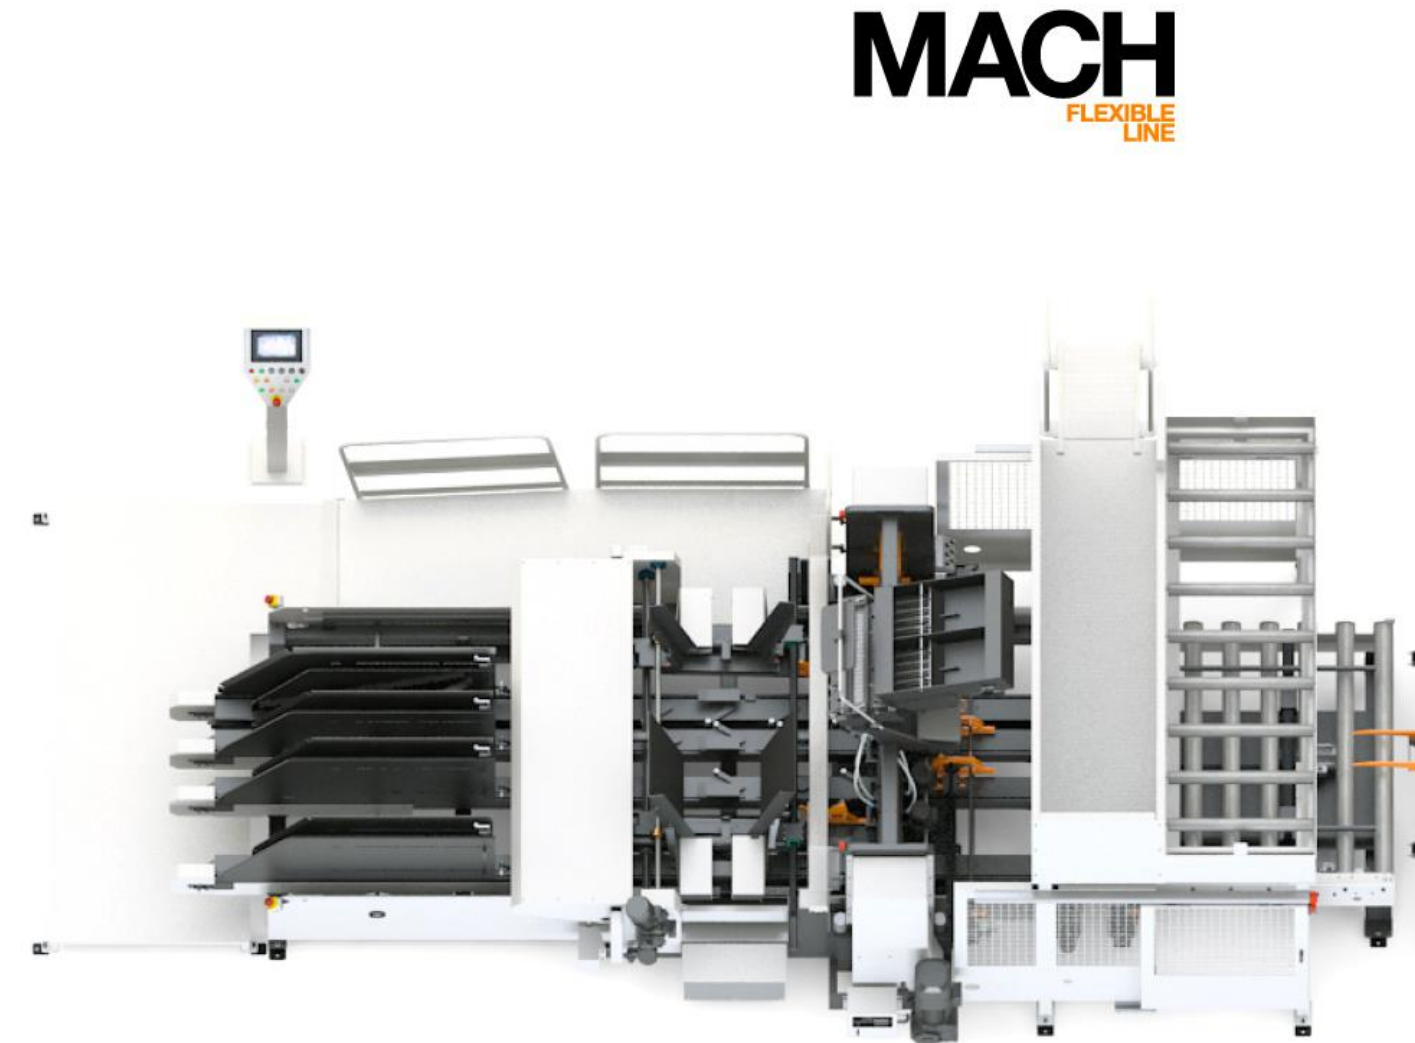

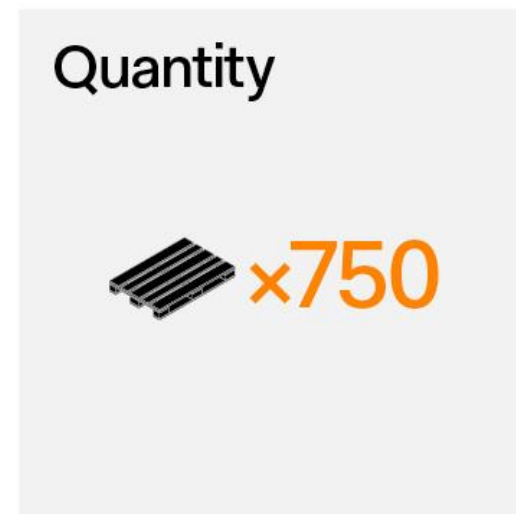

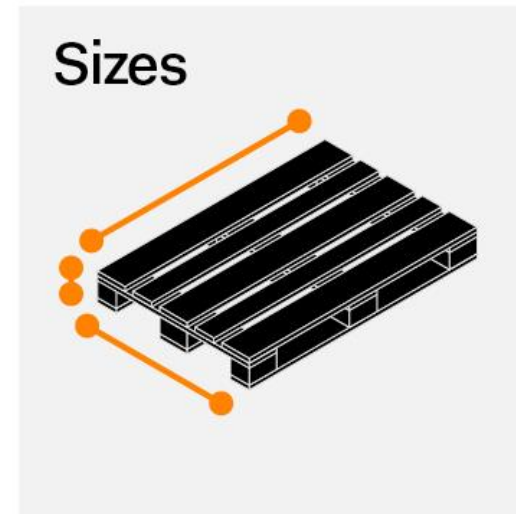

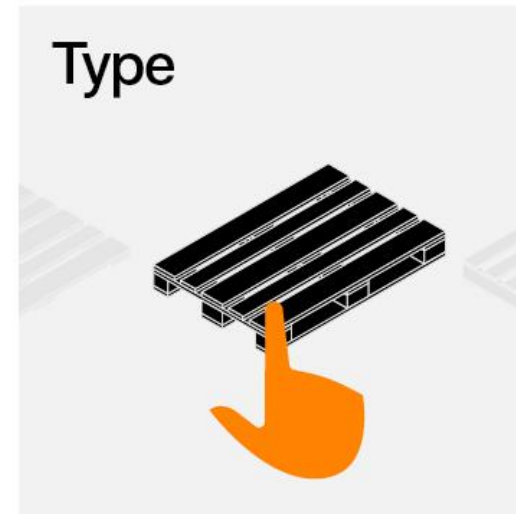

**Selfline**  
Self Diagnose Software  
by Cape

# Digitalisation With PDS™

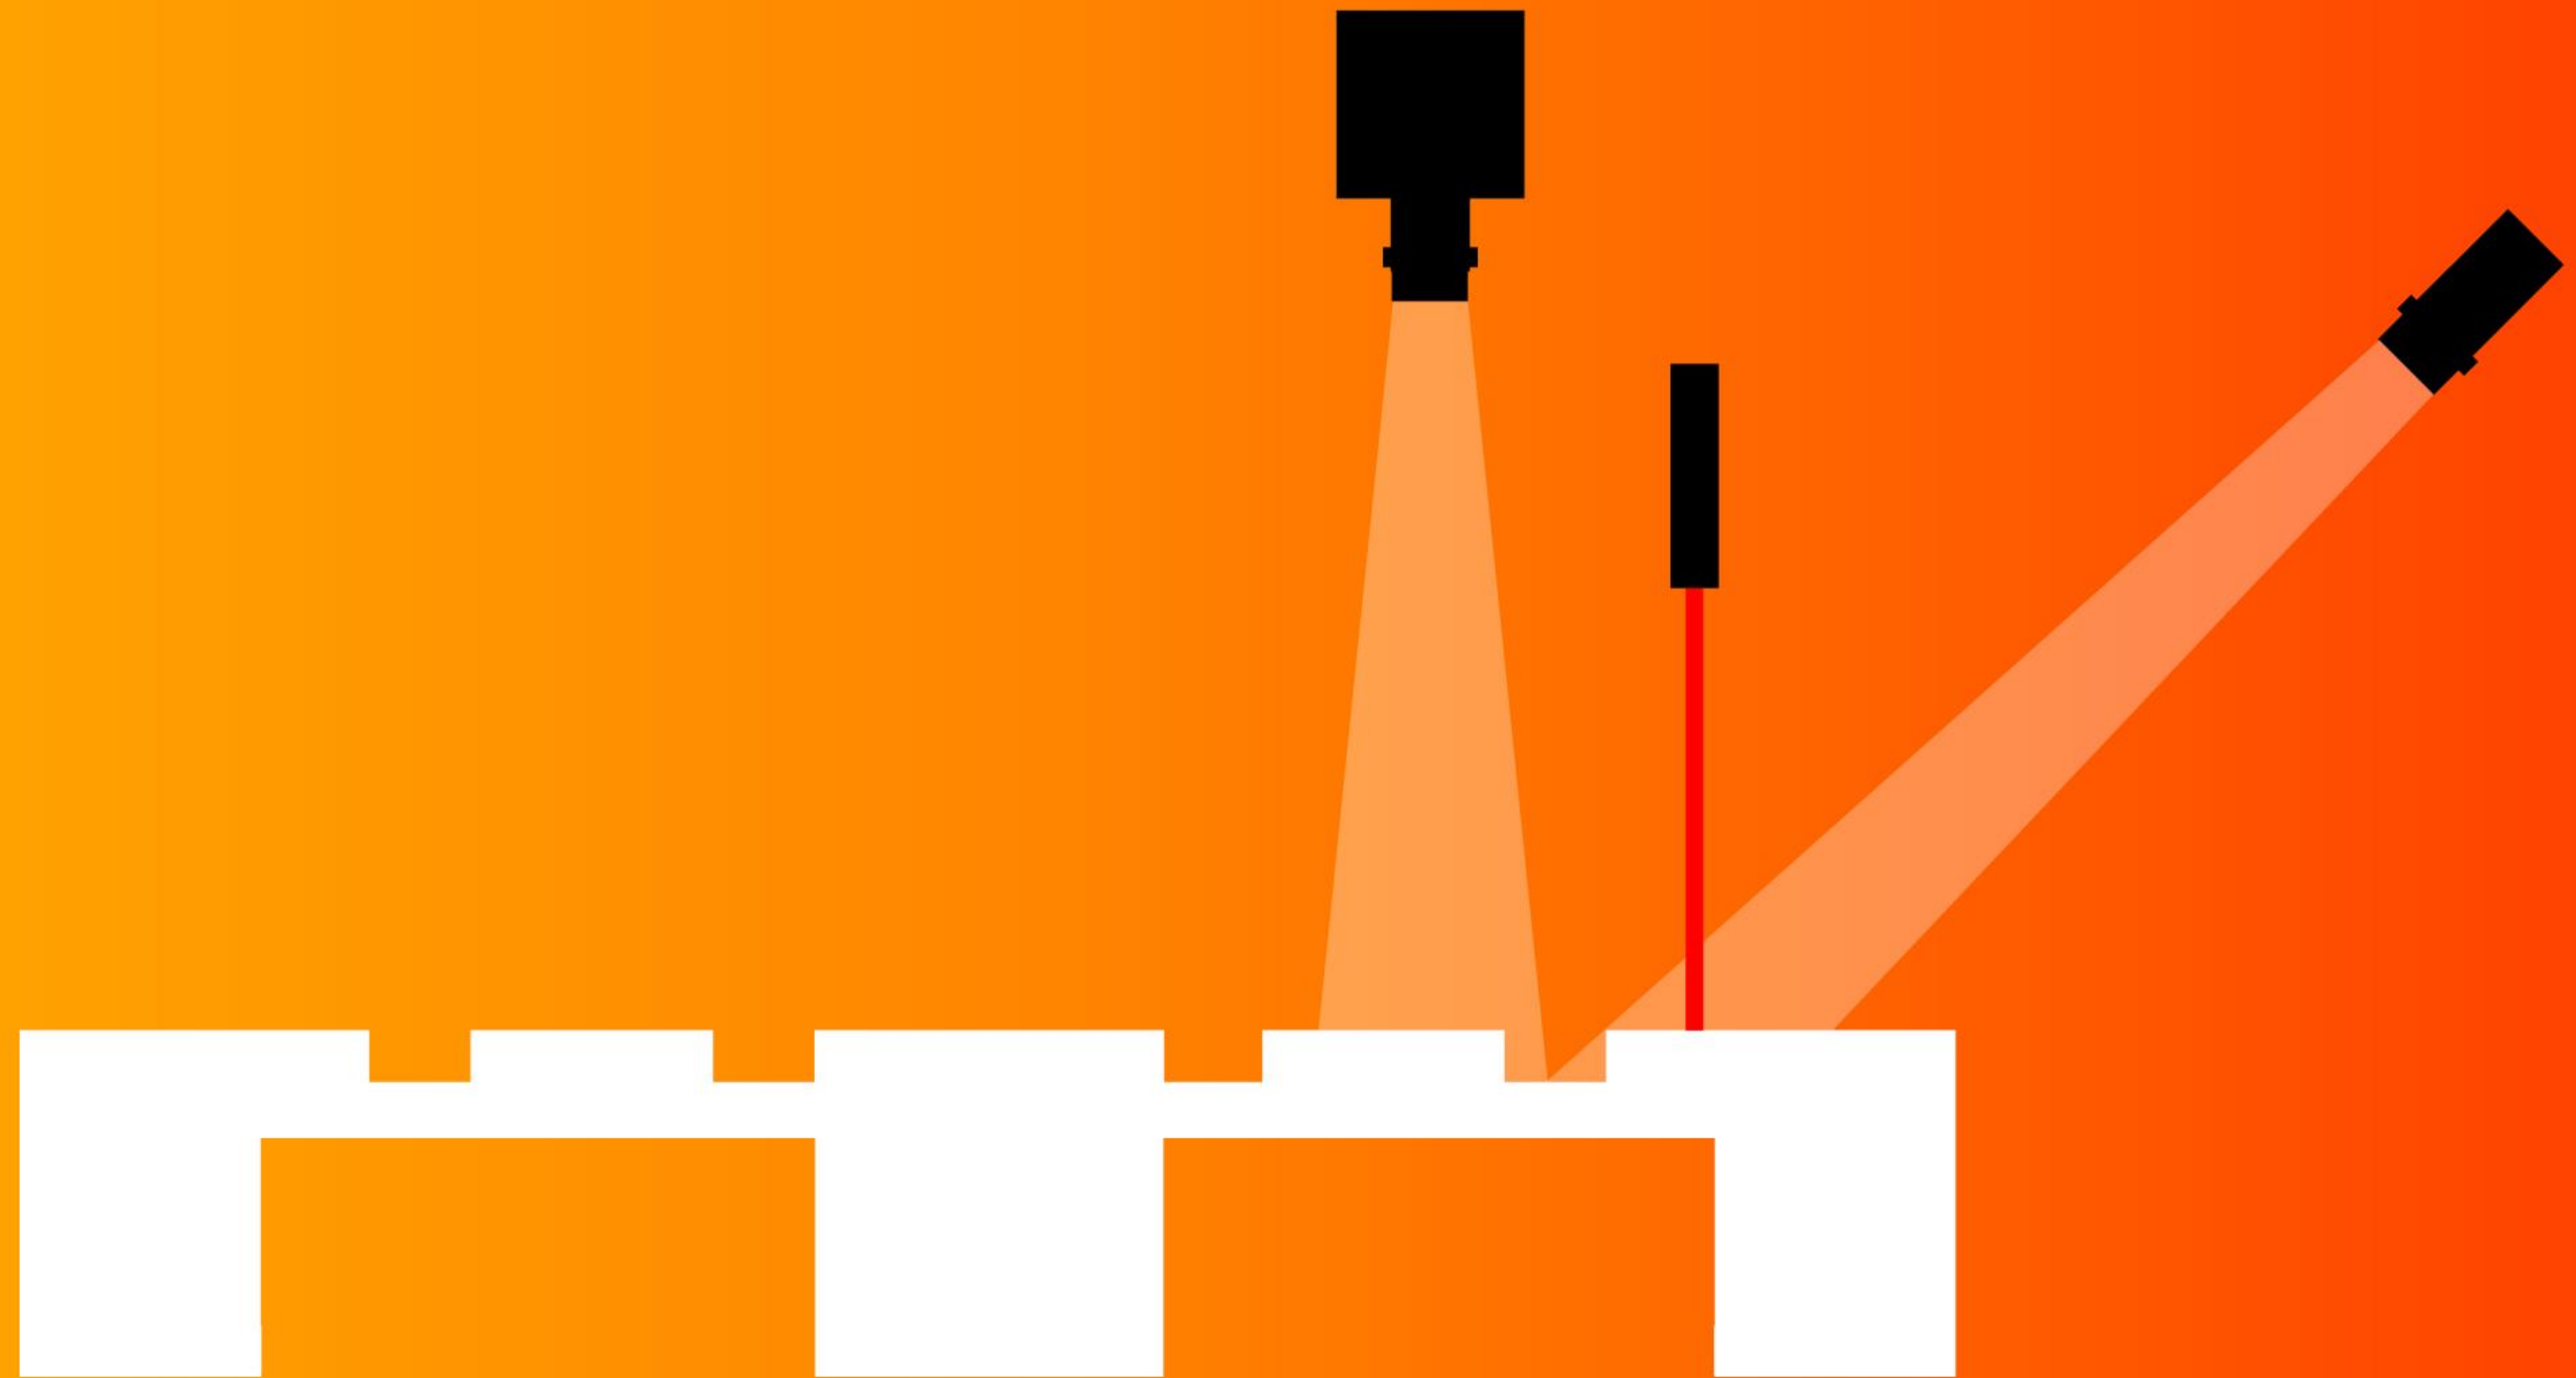

# From Office To Production

# Interconnection With Visiopal

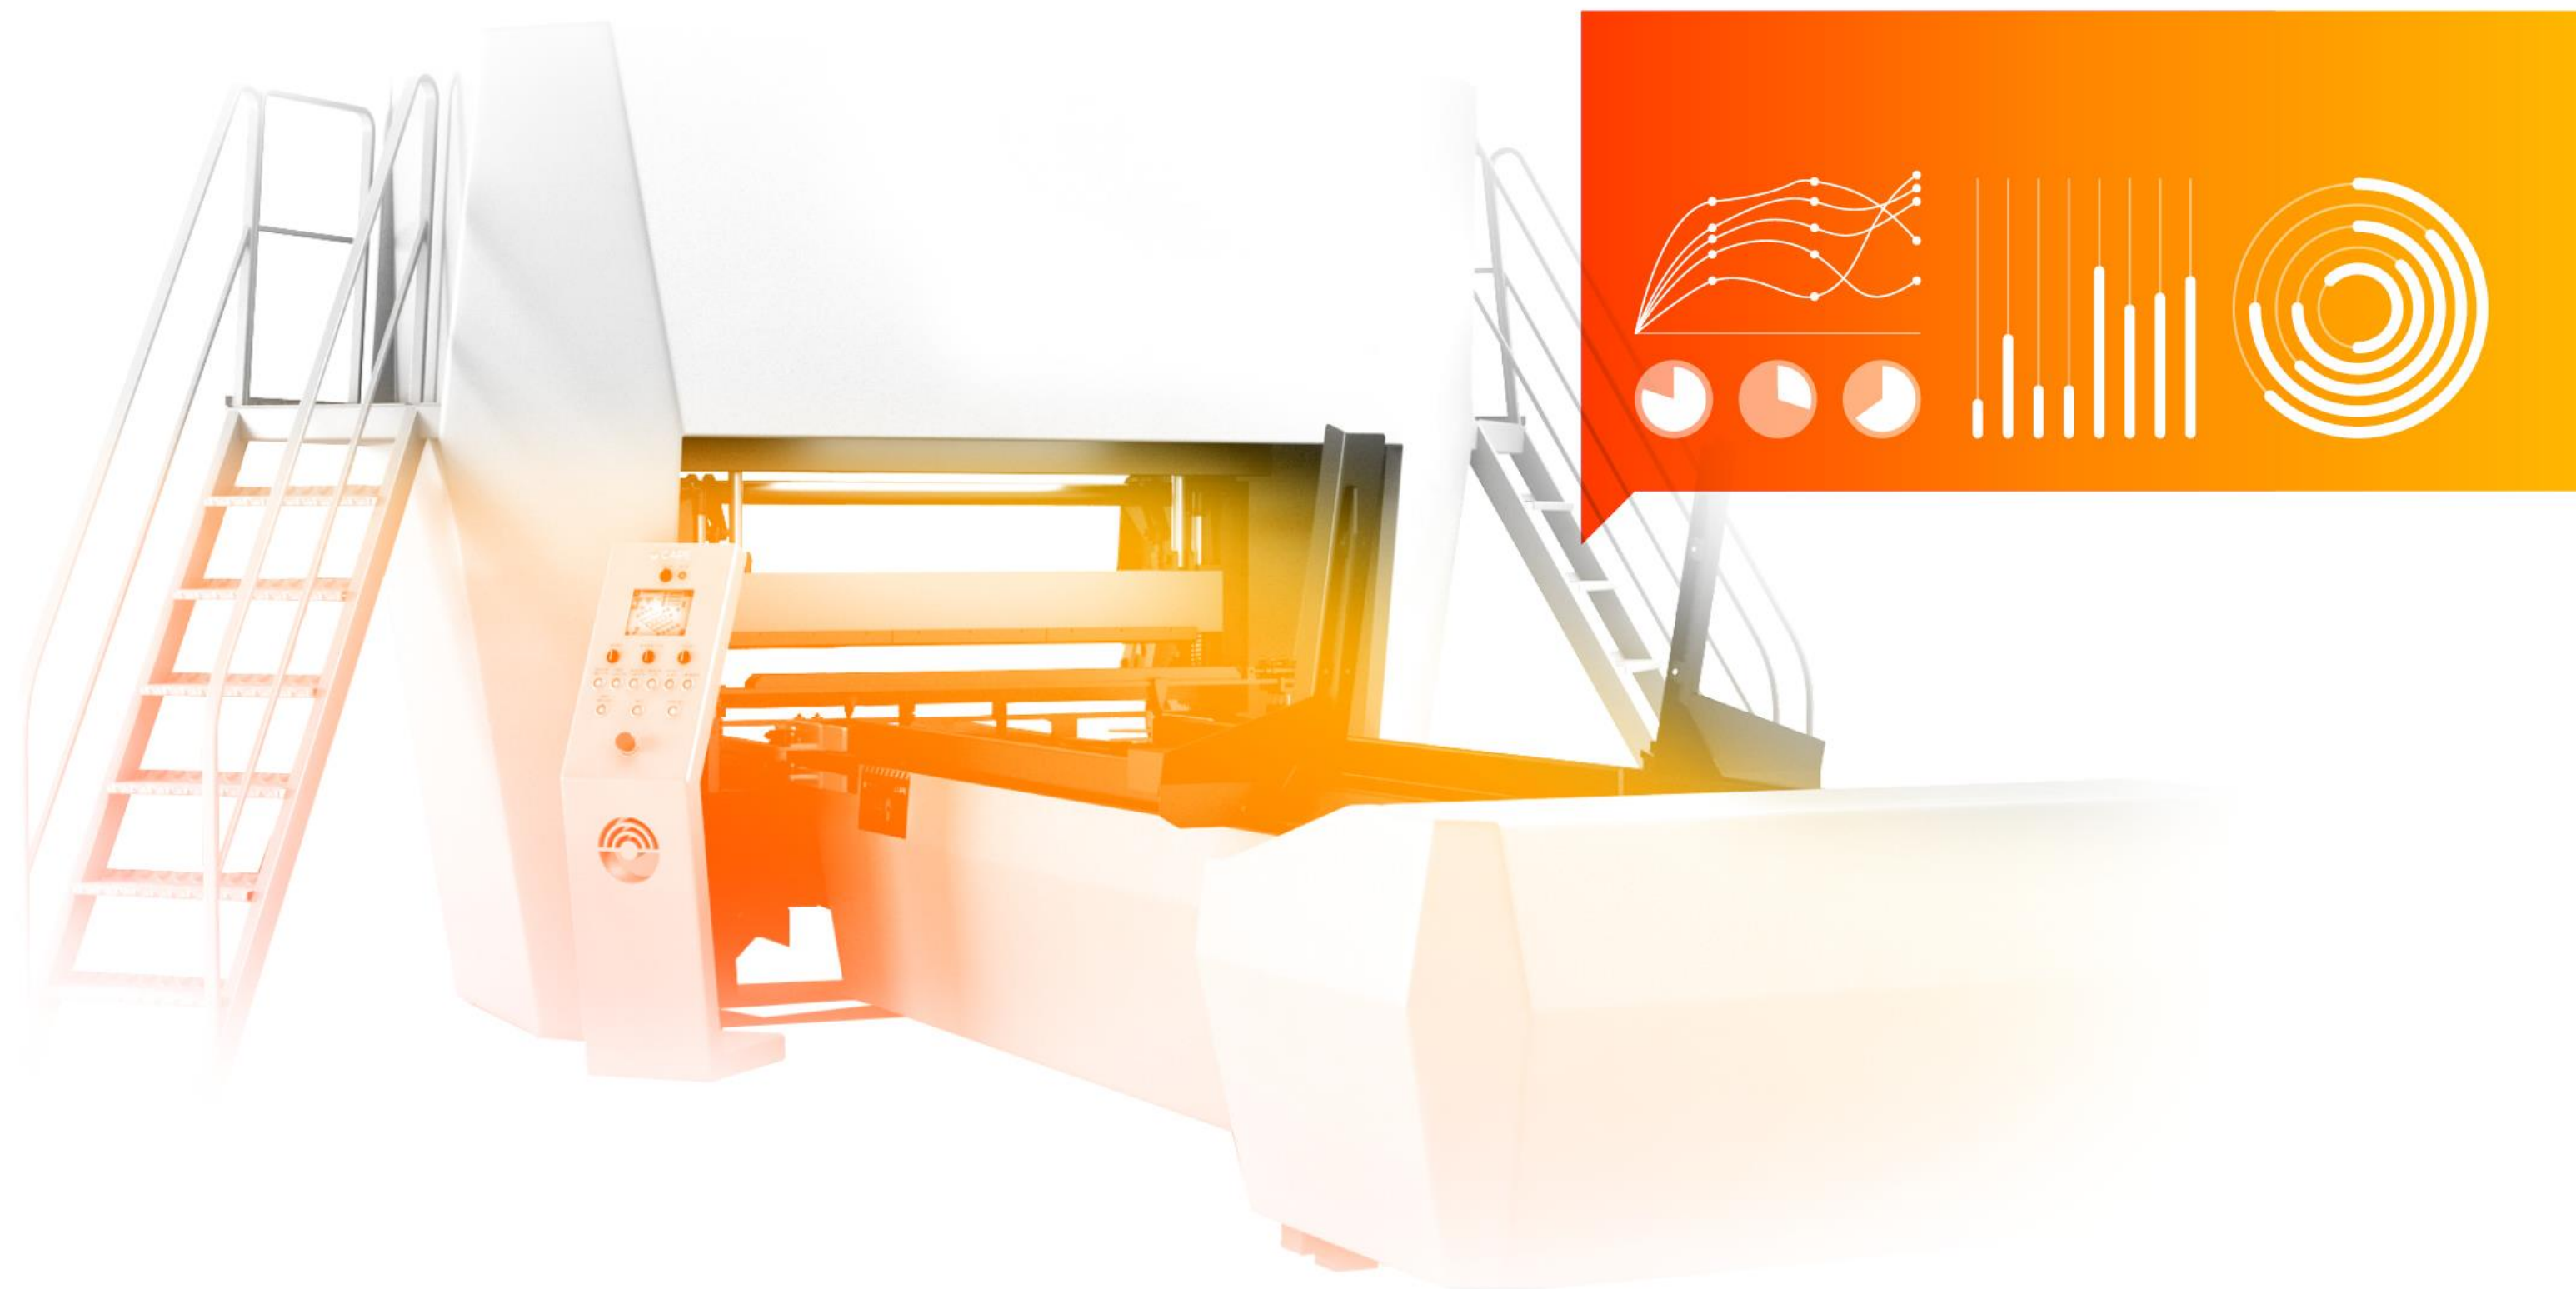

# Optimization With Datapal

# Analysis With Selfline

Thank you.
